I don't wonder about it at all. We'd all be under their thumbs and they'd all be hovering around just waiting for anyone to make the slightest move which they considered threatening and then, SQUISH...

>If your type were dealing with Bin
>Laden or Saddam you would be the first to break out the K-Y.

I think they'd be praying to magically sprout more cheeks.

>War is not for the cowardly. It's real easy to sit back and just throw
