I read in sci.electronics.design that Tim Hubberstey <bogus@xxxxxxxxxxxxxx> wrote (in <[49D2e.134809\\$gJ3.32528@clqrps13](mailto:49D2e.134809$gJ3.32528@clqrps13)>) about 'Bandgap Design', on Wed, 30 Mar 2005:

This is why I'm still using Acro reader 5.1 instead of the latest version.

But you will begin to get stuff in a later format that 5.1 won't read.
