Apropos nothing, (but I did include 'OT:' for the satisfaction of the anal prigs):  
This is copyright Scott Adams, copied entirely without permission, and more than likely available at <http://www.dilbert.com> , but I just couldn't help myself:

It's plain text – let me know if your browser pukes. ;-)

Cheers!

She was cold, did not budge—  
Just the same as she'd acted in life."
