>Yeah. Real competent.

You've assumed that this is what they wanted to do.

Operation Iraqi Liberation was about removing Saddam.

The WMD situation has been hashed and rehashed to death.

If you caught OBL, what would you do with him? He is more popular in much of the middle east than many people would like to think. His family is very rich and well connected. Making him quietly go away would be the best that could happen at this point.
