Ford got soundly trashed for taking the swine flu thing seriously,  
preparing for a pandemic that never happened. Deja vu all over again.

And SNL had a running theme of portraying him as clumsy, when he was  
in fact a good athlete.

Their own worst enemies, they are. If they can't make coherent  
progress against Bush, who certainly offers lots of material to work  
with, they are in deep, dark, fundamental doo-doo.
