Um, are you *\*sure\** the article is authentic?

Claim: The Wall Street Journal ran an article about 18 factory managers executed by the Chinese government for producing flawed refrigerators.

Status: False.

Example: [Collected on the Internet, 1992]

<http://www.snopes.com/politics/business/refrigerators.asp>

I'd really like to see a copy of that Wall Street Journal.

Hey, these guys have a great sense of humor!

Oh man this one is good too!
