You know, you guys whine alot about us taking out tyrants  
like Saddam,  
yelling over and over he had no WMD's, he is just a  
misunderstood guy.  
How  
quiet you are now that they have found those WMD's....

Eh ? What WMDs ?

Graham

Uninformed, are we? The chemical weapons that have been discovered in Iraq  
and partly declassified are being debated all over, on C-SPAN 2 last night  
was a good bit about it. Seems they weren't all disclosed or destroyed as  
they were supposed to be!

What's C-SPAN ?
