Duh – that should be ISO 7637 (low caffeine typo)

Cheers

S'okay– nobody reads your pedestrian limey sh_t anyway...

how amusing – A Sunday driveby insult, and not that good either :)

"how amusing"– aren't you the suave and sophisticated *pimp*– not real impressed with your very *British* petty posing and arrogance– GFOAD.

In which case my answer had the desired response. Bad hair day? Or are you giving up caffeine cold turkey? (A friend of mine once gave up smoking wild turkey – told me it was the only way).

Re: one supply = two supplies

Cheers

PeteS

PS. Have a nice day, as they say all over the states.

.
