Mikey,

Sounds like you are pretty pissed at the world. It is ashamed that you need to be so ANAL. Sounds like maybe you had a worst time with Ebay than you do with your disability? Maybe your wife/better half left you for Ebay?

What's wrong? Did your stump trained cow try to bite off your tiny dick? I have never bought anything from eBay. Its the internet version of "Married, With Children" were the morons get together to try to out scam each other with illiterate descriptions, doctored photos and lies so obvious that a seasoned politician couldn't bering themselves to use. Its cheap. mindless online entertainment, at best.

After reading your posts, it appears the 67 in your name refers to your IQ.
