This is funny also that you all are so ticked off about the post and look how much time you are wasting on it. LOL.

What else do I have to do? "Whack a Troll" should be an Olympic event.

Actually, you're the one wasting time. Shouldn't you be out dumpster diving for your next big score? Maybe you'll beat the animals to some green meat this time so you can skip the eBay spam? Really, it would be easier for you to just give up and go away.
