As a kid, I well recall having to go to Church. One Sunday I had to ask my parents "why do ppl look so sad going to church?".

Draw your own conclusions.

It's all bunkum.

I won't say that. Religion is a valuable part of a lot of people's lives. If it works for them, great. Just don't force the joy on people who don't share your brand of god.

I'm still free to say it's bunkum though.

I don't have any brand of 'God' btw.
