Naaah! We (the USA) need to adopt an attitude of staying out of other
people's fights. I vote we just cede Europe to Islam and be done with
it... why should we care ?:-)

I would worry more about your own Islamitic Saudi mole president.

What are you smoking, or taking intravenously?

Europe has fought Islam before, and won.

What? Around the time of the Crusades ?:-)

US still has to show cowboys can handle it.
Not doing so well in Iraq.

We're being over-run internally by the politically correct
leftist-weenie-fairy-queer crowd right now.

But that will change. The terrorists will hit again... study WWII for
what will happen.

Saudis are buying you, once they get a majority Islam will be state religion.
The Chinese, your only hope to stop religious fundamentalism, [if they buy you],

Re: sRe: A Must Read

are withdrawing from the US dollar.

Like I said before, what are you smoking, or taking intravenously?
That's plain nut case euroqueer... hurts you doesn't it ?:-)

Dollar slided some more today versus all other currencies.....
Slided faster.

"Slided" ain't a word ;-)

Your chips will be cheaper here, so there is still hope.
(had to add some thing to stay on topic for s.e.d).
LOL

I could care less.
