No big deal but then I read the back of the pack.

Now, Europe's changed a lot and most of the former Eastern Bloc countries are now part of the EU. Germany is back as one country etc.....

What I hadn't quite expected to see was a pizza with instructions on the back in 9 languages including \*Russian\*.

Discuss.....

Graham

The more languages..the more customers..  
D from BC

Is Welsh and Irish on it?
