No big deal but then I read the back of the pack.

Now, Europe's changed a lot and most of the former Eastern Bloc countries are now part of the EU. Germany is back as one country etc.....

What I hadn't quite expected to see was a pizza with instructions on the back in 9 languages including *Russian*.

Discuss.....

Graham

The more languages..the more customers..

Re: OT: How things have changed

Is Welsh and Irish on it?

Maybe someday the pizza will come with DVD video instructions in all languages. :P
