Take a look at:

<<http://www.bestbuy.com/site/olspage.jsp?skuId=7444205&type=product&productCategoryId=pcmcat17000050007&>>

\$99.99, less hard drives. Will take one or two IDE drives, and will almost sit in your hand.

The OEM Info:

<<http://www.netgear.com/Products/Storage/NetworkStorage/SC101.aspx>>
