We
are
Republicans,
we
don't
need
no
honesty
in
our
White
House.

I
wonder
what
they
are
trying
so
hard
to
conceal.

Maybe
a
war
that
was
not
necessary,

Maybe
how
much
money
the
Bush
Family
will

Re: We are Republicans, we don't need no oversight

make
on
this
convenient
war,

Makes
you
wonder.

donald

As if the
Democrats
are any
different.

No, they are just the ones in
power.

Just wait till the Democrats
get into office.

donald

I'll enjoy every moment... CYA ;-)

...Jim Thompson

Actually, it would NOT be enjoyable watching terrorist
attacks occur here in
the US,

Re: We are Republicans, we don't need no oversight

Who was the president on 9-11? I guess you think it was a democrat.

nor the kneejerk reactions that the DemocrATs would enact
in
response to them(Like more gun control,more censorship....)
,and watching the 'Rats treat terrorism as ordinary crimes.

Those reactions will be so small compared to the idiotic over reaction
of the Republicans that noone will bother to record them in the
history books.

Who knows, the democrats may even catch OBL or at least find out where
he died of laughter at the republicans.

Ummmmm? IIRC Clinton passed on the chance to grab OBL.

He passed on the chance to kill him a couple of times because there
would be many others killed in the process. This was all before the
proof was in about the bombing of the Cole and the embassies was in.
Just as he was leaving office the investigations yielded the proof. He
passed all the information along to the Bush folks who ignored it.

Remember that when he did go after OBL, all the republicans yelled
"wag to dog wag the dog". They knew it wasn't true but they put a
short term political gain above the good of the nation.

A bunch of guys from Saudi Arabia took over planes with box cutters.
The rublicans used it as a reason to invade a different country and
make me take my shoes off before I get on the plane. Your phone calls
are being monitored. "sneak and peak" searches are being done. OBL
wasn't found. The US is now less safe as a result of the actions of
the folks in charge.
