So, the regular laws of physics and the best available science are now by way of your standards a "conspiracy theory"?

The conspiracy is you claiming to know anything, like those phony bastards who claim to be war vets, but never served.

You keep spouting off about 'the regular laws of physics' The only physic you're familiar with is a laxative, which is 'the irregular laws of physics'

Re: The Electric Car

It doth seem like every other word out of you mouth is anti-Semitic.

What's your problem? Inadequacy? Little pecker ?:-)
