Who reads the newsgroups? Mostly marginals, amateurs and stupidents; you shouldn't expect much usefulness from that sort of public.

Right, we lump all that and more into the category, riffraff, which also includes those who may be somewhat successful businessmen but nonetheless are ignorant sociopaths of no value to society whatsoever, people for whom the concept of rational comprehension is a complete unknown. Oh yeah, and let's not forget the narcissists...you know who you are... LOL.
