Does Vet mean veterinarian or veteran ?

Is it actually ILLEGAL to fly the Mexican flag ?

Graham

You're not supposed to fly it (or any other nation's flag) above (or below) a US flag, at least "in time of peace".

Are there penalties for violating the Flag Code?

No. The Flag Code (see below) is intended as a guide to be followed on a purely voluntary basis to insure proper respect for the flag.

The Flag Code has no provision for enforcement whatsoever. No fines, no penalties. There is nothing law enforcement can do when the Flag Code is broken. The Supreme Court has repeatedly ruled that violations of the Flag Code are protected First Amendment Rights for political speech.
