When I look into your eyes
I can see a love restrained
But darlin' when I hold you
Don't you know I feel the same
'Cause nothin' lasts forever
And we both know hearts can change
And it's hard to hold a candle
In the cold November rain
We've been through this such a long long time
Just tryin' to kill the pain
But lovers always come and lovers always go
An no one's really sure who's lettin' go today
Walking away
If we could take the time to lay it on the line
I could rest my head
Just knowin' that you were mine
All mine
So if you want to love me
then darlin' don't refrain
Or I'll just end up walkin'
In the cold November rain

Do you need some time...on your own
Do you need some time...all alone
Everybody needs some time...on their own
Don't you know you need some time...all alone
