You need not elaborate. The point (which you CONTINUE TO MISS) is that conservatives such as yourself are hypocrites. You go on and on about "family values" and similar nonsense, while at the same time doing those very things which you decry. Are you so blind as to not see the difference?

Uhhhh? WHEN have I gone on about family values?

You LOVE to paint with the broad brush. In your bitter little mind, ALL "leftists" (meaning anyone to the left of Attila the Hun) are "weenies."

Re: On good authority...

Re: On good authority...

So we can apply the same broad brush to conservatives. You ARE a Republican and you DO VOTE for Republicans, right? Then by casting your vote for those people, YOU SUPPORT THEIR AGENDA, which includes such "family-values" tripe as "defense of marriage"

Uhhhh? I have openly stated on this forum that I'm a hawk, for fiscal responsibility, but everything else is peoples' choice.

I vote Republican (actually for the man, I could possibly vote for Obama), because DemocRATS want to take from me and give it to the low-life, to buy votes.

and terrorizing  
all illegal immigrants (who does your lawn, BTW?)

A white guy from Mesa, probably a Mormon to boot ;-)

and torturing in  
secret overseas prisons and illegally wiretapping American citizens  
and so on.

What bullshit. The wiretaps are on overseas links (inbound).

And it really IS irrelevant if you think the Republican party has been hijacked by the Christianist right. By your own logic, if you VOTE for the party, it means that you AGREE with the entire plank.

See above.

I'd respect conservatives if they did some very simple things:

a) Shout down the radio shithheads like O'Reilly, Limbaugh, Coulter, etc. As far as most non-conservatives are concerned, THOSE people ARE the conservative movement. So if true conservatives wish to be taken seriously, they have to get rid of the loudmouths. Nothing less than public repudiation by Republicans, followed by criminal investigations and finally jail time, will suffice.

Ah! So you're against freedom of speech, particularly since the leftist have no humor and can't get sponsors to keep their shows

afloat?

b) The Christianist right has to be excised from the Republican party. Nationally-known conservative figures need to publicly repudiate the Pat Robertsons and the Fred Phelps types, and at every possible opportunity. These Christianists are a cancer on YOUR party, and it is entirely irrelevant if you disagree with them.

I have commented that the party has to break free from religion, and I have a week-old letter-to-the-editor here in Phoenix to prove it.

Conservative Republicans  
such as yourself are really  
scared of homosexuals.

Neeeerp!

If they weren't,

why would we even be  
having a discussion about  
"sanctity of marriage"  
and other wastes of time,  
even as gay Republicans  
have to hide in  
closets and live in fear of  
being exposed.

BTW, Democrats also aren't  
afraid of  
African-Americans,  
women, Jews,  
Catholics, Muslims, etc.

Neither am I, I count at three "types" in your  
list as in my immediate  
family.

Re: On good authority...

Ah, the old "I know a homosexual/Jew/African-American,  
so I cannot be  
a homophobe/anti-semite/racist" argument. Sorry, buddy, as  
long as you  
align yourself with the right-wing  
homophobes/anti-semites/racists,  
you get lumped in with them.

No, I said IN my family. If you dare make a fool of yourself, ask  
around Phoenix about my views. I only despise DemocrATS!

You are truly a dumb-shit.

C'mon, Jim, is that the BEST you can do, calling me a "dumb shit"? I'm  
from Jersey, where that's a term of endearment.

We certainly are not afraid  
of YOU. You FEAR people  
who are different,  
and because you are  
AFRAID, you have to  
ridicule.

=a

I only "ridicule" leftist weenies because they  
ARE mentally defective  
members of our society.

"Mentally defective" ? One might argue that it's some sort of  
mental  
defect that makes you repeat "leftist weenie" like a mantra.

I will continue to use "leftist weenie" as a  
title of derision until  
at least the election ;-)

Re: On good authority...

Re: On good authority...

Go right ahead. I hope you will enjoy being in the permanent minority.

Every aspect of your life will be controlled by leftist weenies who will have all of the powers that YOUR PRESIDENT (and don't say that he's not your president) gave himself.

It's never too late to repent, you know.

Repent before the Republicans bury you ;-)

You really ARE deluded, aren't you?

Hey, how's your buddy Renzi doin'?

He just (deservedly) got indicted for real estate manipulations, unrelated to his Congressional job.

He and Shadegg ...

Why don't you like Shadegg? He just announced his retirement from Congress as he said he would when he ran for office. However the public has risen up and asked him to stay. So he's changed his mind.

what a couple of real winners. Yeah, everyone knows that Dubya will pardon them, but wouldn't it be a nice twist to see them in pink underwear in Arpaio's jail?

-a

May you rest in pink ;-)
