For all fetish maniacs all over the world.
This is a new title of our movies.

"Lactating Lesbian"

Maria and Riri are so young and cute girl that you can't believe they are mother. She is small but she jets a lot of milk from her breast beyond your imagination. Miyuri is a girl who wants to drink such a Milk. This is a movie of such 3 lesbian women. Massaging their breasts each other, rubbing, and drinking. They hug so tight and kiss, drink their milk mouth to mouth. Maria and Miyuri love each other like lovers. Miyuri wants milk like a child and Maria gives her milk. Miyuri feels so nice and sucks and sucks their breasts. Wet in the Milk, rubbing their nipples each other, 3 women in the milk shower. Non stop milk from Maria and Riri and Miyuri drinks it.

Watch this play that you will want to drink their sweet milk.
