Jim doesn't seem to have a problem with a joke that starts "Two million Mexacans have died". He must know some rib-ticklers about the Holocaust.

The holocaust was real, while the Mexican earthquake (as one finds out in the punch line) was fabricated for the purpose of creating the dichotomy which makes the joke funny, you miserable, humorless wretch.

But. I could be wrong...

You probably find humor in 9/11 or, at the very least, "It serves them right."
