Someone said you have to "dehumidify" during the day... maybe you do to some degree, but if you aren't in the house, there is very little moisture entering it.

Then you've never lived in FLorida.

Use any search engine other than Google till they stop polluting USENET with porn and junk commercial SPAM

If you have broadband, your ISP may have a NNTP news server included in your account: <http://www.usenettools.net/ISP.htm>
