Scare of the day...

The clearly written 2nd Amendment:

"The right of the people to keep and bear Arms shall not be infringed"

yesterday was almost trashed by the leftist weenies on the Supreme Court.

Fortunately, by a 5:4 decision, the leftist weenies were NOT able to trash one of the most fundamental rights guaranteed to us under our wonderfully written Constitution.

Elect Obama, and you may rest assured that won't be the only right you will lose.

Make my day... kick a leftist weenie's ass ;-)
