Re: the data, I'm assuming this is the entire crux of the matter:

http://en.wikipedia.org/wiki/Image:1000_Year_Temperature_Comparison.png

Utterly incomplete. A lot of these pages are edited daily by AGWists to ensure that no anti-AGW data gets added. A very senior Wiki editor is pro-AGW and ensures this policy.

Where's Loehle for example ?

Graham

Really? Click on the page's "file history" tab.

Perhaps you believe that Wikipedia is involved the the AGW conspiracy also?

Not to mention that it's got nothing to do with my post, which is quoted at the top.

A simple "yes" would have been an answer; saying "it's incomplete" isn't an answer, merely a tangent (or red herring perhaps?).

.
