Up to available power meaning until the ignition coughed? I am just picturing you driving down some boulevard, in your 280Z, windows rolled down, stereo on 10. Tchck .. tchk .. *BOOM* .. tchk .. tchk .. *BOOM* ...

But what really ices the cake is, rap wasn't invented yet, and silicon wasn't cheaply available in his teenagehood. Germanium baby! Or tubes even, with a vibrator supply.

It's like driving by candlelight or something, so primitive ;)

(I know, utterly ignoring the date given, and whenever the 280Z was introduced...)
