For the Instrumentation, Automation and Control Industry
– Golf – Training – Exhibits

Date: Friday, April 22, 2005

Location:
Rio Hondo Country Club
10627 Old River School Road
Downey, California

The fee for one table top for this event is \$180. This includes one 72 inch table and signage. Golf fees are \$125 per golfer and includes the use of a cart.

The Los Angeles Section of ISA is proud to host our annual Tech Night on April 22, 2005 at the Rio Hondo Country Club. This tabletop event provides a great way for local industry professionals to network and showcase their products in an intimate setting, for a very nominal fee.

In addition to the exhibits, product demonstrations, and exceptional classes, ISALA will host its first golf tournament, open to all members and non-members of all skill levels. Why not sign up your sales team or invite your special customers to participate? Each tabletop exhibitor will be provided an 6-foot table, power connection, and appropriate signage. Tables are limited, and provided on a first come, first serve basis. The event is expected to sell out, so act quickly to ensure your space is reserved. [click here to sign up.](#)
