Hi everyone.

You can find almost anything you are looking for.
Take a look at all the great features below and imagine! You'll LOVE it. They offer some of the best premium newsgroup access anywhere. Take a look, I know you'll love it as much as I do.
One thing I love about them, they don't keep log files of the news I read or files I download. They give you access to some of the best groups others may not carry.

Posting allowed!
Convenient thumbnail indexes
Streaming audio and video
Keyword searchable
800 GIGS of new multimedia content each day
Very long retention

Thanks! I hope to see you at <http://www.newsdude.net> soon. Bye for now.

so whats this all about?

whn I see this notice once I just make a mental note

but when you come accross this in a few newsgroups I get
to wonder is this spam?
