Piss Off Spammer

Do you really think that they'll come back to read your mini rant?
Report them with full headers to: postmaster@xxxxxxxxxx and to
group-abuse@xxxxxxxxxx

The bharti.com address might get results, but by now you'll have received the standard Google Groups brush-off which makes it clear that they don't have the slightest interest in spammers abusing their network. :-(

Bob

No, I don't even get that anymore, but I keep sending them anyway. I get spam, they get forwarded spam, with full headers.
