I would be immediately reaching for a current limited power supply, my multimeter, a signal generator, and my 'scope probe .

I have heard about being 'four armed' but it must be hard to find shirts! :)

D-. Back to 'Jokes 101' with you!

Use any search engine other than Google till they stop polluting USENET with porn and junk commercial SPAM

If you have broadband, your ISP may have a NNTP news server included in your account: <http://www.usenettools.net/ISP.htm>

.
