Let me guess: for sending you damning insider information in confidence. Which you then posted publicly and world-wide with her name attached.

Did she thank you for getting her fired?

Getting what job done? Convincing people that you're a raving lunatic? I'll agree with you there. And casting doubt on the legitimacy of SHEC? I'd say you've done a pretty good job there as well.

But if your goals include attracting investors to SHEC, calling it a scam is probably not a good idea.

Yeah, right.

And you'll let us know when they break ground on the Fleet Street landfill project, won't you?
