Dear newsgroup members,

Welcome the SustainabilityForum Newsletter July 2007.

The forum is currently going from strength to strength. Even though it is summer and many people are enjoying the sunshine last month was the strongest month ever in terms of member growth and participation. Read more in our highlights section and most popular discussion topics section below.

## Highlights July 2007:

- \* New participation record for the third month in a row: The number of posts and new topics has stayed on the high level of June 200 new discussion topics and nearly 400 new posts.
- \* Record number of 126 new members: We have surpassed the 700 member number during July and now have nearly 740 members.
- \* Due to popular demand we added another topic specific forum on "Sustainable Energy".
