Marty Wallace is a well known Australian netkook, psychopath, and coward Marty said I'm not the smartest guy in the world a Janitor at the Muja Power Station an at The Collie Valley Marathon co. +61897342316 and +616045507000 . He usually stalks and harasses the posters of Bike groups, although he is known to make excursions into a wide range of other groups for the purposes of trolling and stalking Marty Wallace wastes an astonishing amount . Most sane participants have been forced to killfile him for his frequent violent outbursts at posters and his unrelenting attacks. Here are just a few of his victims. He has been stalking and harrasing. Marty has also been waging long-time stalking and harassment campaigns against other well-known members of the bicycle community. He has been known to stalk his victims anonymously and via sock puppets, showing what a coward he is. Furthermore, he likes to challenge people to fights, telling them to come to Perth and look him up in the phone book, while having admitted elsewhere that he is not listed in the phone book. Coward! Marty is an enemy of freedom of speech and

geo.net.au, marty@geo.net.au wastes an astonishing amount of time staking/harassing people by phone & email FROM ve

hates remailers, which serve a useful and necessary purpose. He has resorted to impersonating others and even himself through remailers in an effort to discredit remailers and make it look like others were attacking him through them. He regularly bombards remailer operators with hysterical complaints and threats and floods their mailboxes. Marty is currently on one of his psychotic crusades, this time to get people to killfile po
