

happened in 35 years, it will certainly not happen now  
in that debased Australia, Land of Bastards by any standards !

This is completely impossible for those Corrupt-To-The-Core Sons-of-Bitch & Bastards'

MPS, infeoded and held by the balls

indeed by the Mining Criminals of Newmont, Newcrest, BHP, WMC, Boral \_ i

touti quanti \_ , to indeed admit the outstanding contribution of a

Independent Mining Prospector yet of Superior Courage and Geological

Intelligence to wit Sir Jean-Paul Turcaud !!! ...Who on his own tackled the

immensity of the Great Sandy Desert and is behind all therein outstanding

Mining Discoveries indeed !!!

( but only a Run-of-the-mill, Good-to-be-fleeced, Worthless & Branded as

such "Surrendering French Frog" for all needs & purposes of

Australian Balless Fat-Mouthed Toads ! )

Those Representative Dickheads are cowering in corners & hugging the walls

now, since

their Gutlessness & Corruption has become common knowledge to all outside

Australia !

... and this is not those Blowflies of the West Australian & Sunday Times,

or other Australian rags, who will entertain you, Bastards, of such subject

pertaining to Truth, Respect and Honour of the Word Given .... referring by

that to the ROYAL INQUIRY required in the WA PARLIAMENT by Attorney General

Evans into the Mining Criminals' Blood & Financial Crimes !!!

NEW QUOTE FROM THE ABC

\*\*\*\*\*

Despite rain in some parts of Australia,

the nation continues to battle the worst drought in 20 years.

Forecasts for agricultural production have been massively cut. Experts predict it will take up to four years for many industries to recover. etc.

UNQUOTE

SO THE DIVINE DRUDGING DROUGHT ( DDD) I REQUIRED FROM THE CREATOR OF THE UNIVERSE WILL CONTINUE, AND NEEDS TO WORSEN UNTIL YOU ALL AUSTRALIAN FILTHY

TOADS BITE THE DIRT INDEED !

I CAN 'T WAIT TO HEAR SOON THAT THE KURRI FORREST AND MOST OF PERTH & KALGOORLIE

HAVE GONE UP IN FLAME, AND THAT NO WATER WAS THERE TO EXTINGUISH THE FIRES

!!! WITH THE OBVIOUS COLLATERAL DAMAGES WHICH YOU LAME IMMORAL CUNTS HAVE BROUGHT UPON YOUR FUCKEN HEADS !

HONOUR TO OUR ALMIGHTY & LOVING CELTIC GOD !

THE BLESSED ONE AND MASTER OF ETERNAL JUSTICE WHO VISITS THE CRIMES TO THE WICKED UP TO THE 3RD GENERATION !

NOW, IS IT WHAT YOU IMMORAL BASTARDS WANT TO HEAR ON THE NEWS AND WANT TO HAPPEN ??????????????????

IF NOT, THEN !!!

I WILL HAVE TO BE ABSOLUTELY IN AUSTRALIA BY THE 15TH OF JANUARY 2005 AT THE LATEST, TO PREVENT A TERRIBLE HUMAN DRAMA TO OCCUR, RESTORE THE NORMAL CYCLE OF WATER COMPLETELY UPSET UPON MY RIGHTFUL DEMAND INDEED ... AND THIS IS ONLY POSSIBLE

IF THE MINING CRIMINALS AND THEIR POLITICAL BACKERS CONSENT TO ADMIT PUBLICLY THEIR COLLECTIVE CRIMES, BEG PUBLICLY FORGIVENESS TO ME, AND RETURN THE GREAT SANDY DESERT STOLEN MINING PROPERTIES TO LEGAL OWNER : AUSTRALIA MINING PIONEER SIR JEAN-PAUL TURCAUD !!!

... and it happens incidentally that my Premier I, Beechcraft RB-115 will be available as from that date to take me back to Australia, in a style indeed fit for someone who has done so much for the Country !!!

This mail is going to be forwarded direct to John Howard and Geoffrey Gallop respectively in Canberra and Perth... and as for the Heinous Mining Criminals, they will know of this private mail sent to all aus.ng by the public rumour indeed !

Looking forward to be back in Australia soon , a Country I served as one of the best Australian who ever was and where I intend now to return and be received with the Honour I fully deserve !

Yours sincerely.
