These so called Christians make me laugh. Have they never read in the Bible about how Abraham indulged in genetic manipulation to make all the sheep and goats "striped" so that they would become his?

And to take it even further, the story of Adam and Eve is the first example of cloning technology in history.

Alan

"A society whose citizens refuse to see and investigate the facts, who refuse to believe that their government and their media will routinely lie to them and fabricate a reality contrary to verifiable facts, is a society that chooses and deserves the Police State Dictatorship it's going to get."
