Special issue of "International Journal of Ecological Economics and Statistics" (IJEES) will be on "Stream Ecology and Low Flow". Original research papers or reviews are invited in the following and related areas:

- River Economic
- River Quality Modeling
- Pollution Minimization
- Ecological Education
- Sustainable Development Modeling
- Case Studies
- Arid Zone River Ecology
- Human & Stream Ecology
- Ecological Management Modeling
- Stream Physical, Chemical & Biological Treatment Processes
- River Statistics and Classification
- Water Reuse
- Ecological Problems and Health Risk Assessment
- Hydrological Analysis of Low Flows

Important Dates:

Deadline for paper submission: 30 September 2006

Paper review: 30 November 2006

Final papers submission: 15 January 2007
