Hello there.

They give you access to some of the best groups others may not carry.  
Take a look at all the great features below and imagine! You'll LOVE it.  
One thing I love about them, they don't keep log files of the news I read or files I download.  
Take a look, I know you'll love it as much as I do.  
Great prices and support await you as you travel into the beautiful world of premium nntp access.  
You can find almost anything you are looking for.

Very long retention  
Convenient thumbnail indexes  
2,000,000 new posts each day  
800 GIGS of new multimedia content each day

Just go to <http://www.newsdude.net> and see why I love them so much. Have a great night!
