The 3rd Indian International Conference on Artificial Intelligence (IICAI-07) (website:<http://www.iiconference.org>) will be held in Pune, INDIA during December 17-19 2007. IICAI-07 is one of the major AI events in the world. This conference focuses on all areas of AI and related fields. We invite paper submissions. Please visit on the conference website for more details.

Bhanu Prasad
IICAI-07 Chair
Department of Computer and Information Sciences
Florida A&M University, Tallahassee, FL 32307, USA

Maybe we could recommend Jean-Paul Turcaud to attend. He seems to have enough artificial intelligence to run an entire conference. Or is he just bitter and twisted.
