Bad. Very bad.

Inexcusable!

That puts the lid on it.

Anyone criticizing a faith, without offering an alternative delusion, should be irrationally dismissed out of hand, and ignored, then responded to, in that order.

Oh no!

Irrational and evil Atheists!

Quick! Get the crucifix and the garlic!

(I had no idea that Matthew and John were atheists)

They claim to be quoting from Watch Tower literature but these are *NOT* exact quotes, they change words and quote things out of context. I don't respond to spurious fabrications. Hence if you see that I am not answering someone, it is because their previous attempts at deception have earned them a place in the 'block sender' file. They exist here only to destroy (1 Corinthians 10:6-11) They speak not as Christians*

Erm... that would be because they are atheists, as you so eloquently pointed out before. Duh.
