Dunno. Given the current situation, I think that TPC (aka NHC) would deep six Philippe at the first opportunity, and hand off the forecasting responsibilities for the extratropical entity to NCEP.

So I'm guessing there's more to Philippe than meets the eye.

I can please only one person per day. Today is not your day. Tomorrow isn't looking good, either.

I am BOFH. Resistance is futile. Your network will be assimilated.
