Deal?

Lots of us have already started, Crackles.

Good for you, now leave the rest of us alone please.

Or do you not want others to enjoy freedom?

I don't drive my car with the intent to destroy the  
atmosphere, please  
don't make it seem that I, and others, do.

Good Day sir.

Your concept of freedom is flawed. Freedom doesn't mean anarchy.

Anarchy? My buying the car I WANT is anarchy?

Half the people buying cars that increase danger to the other half is insane. What if I want to driven APC  
around town?

If freedom requires a clarifier then it is no longer freedom.

Freedom requires taking responsibility.

How would you like the freedom of speech defined to a list of hundreds

of exceptions?

In this context there are no absolutes.

Cars aren't the problem anyway.

Why do you want poor people to pay as much as 25% more for a car/truck/suv? Shouldn't we help the poor spend as little as possible?

I don't really care about what you call poor people. They are wealthy beyond belief to most of the world's great unwashed.
