Ben,

You might find this thread of interest:

"A Medical Information, EMS, GPS Application"

which was posted to this group a couple of years ago.

This link should take you there:

http://groups.google.com/group/sci.geo.satellite-nav/browse_frm/thread/fb122209c27e877c/79dc0574081df539?lnk=s

If not you can do a Google Groups search using the thread title I've provided.

I hope this helps!
