About Ogleo.com

=====

Ogleo.com is an integrated search tool which integrates various services to serve best of the web to its users. Ogleo word has been derived from word Ogle \O"gle\, n, which means to look at. At this time we have integrated 5 different services in Ogleo.com i.e. Web Results, Questions and Answers, Dictionary Definitions, Encyclopedia Content and Images.

Our Mission

Ogleo's aim is to integrate the information which is available with various content providers so that anyone can access the world's information in a single click.

Future Plans

In future we have planned to integrate more services in Ogleo.com e.g. News, Shopping, Photos, Videos, Whois, Jobs, Directories, Groups and Yellow Pages etc.
