Hello,

I am conducting research related to people's attitudes towards their commute to work or school. I am writing to invite you to take a web-based survey which will take about 20 minutes to complete. The link to the survey is:

<https://www.surveymonkey.com/s.aspx?sm=f%2ffhNEVt4UmEfKAzC4OpXA%3d%3d>

The results will contribute to my doctoral thesis at MIT. I would greatly appreciate it if you could take the time to fill out this survey. Please feel free to forward to other commuters who you know and who you think may be interested in participating.

Thanks, in advance, for your interest and cooperation, and please contact me if you have any questions.
