Hi All,

OSGeo Foundation (<http://osgeo.org/>) announced that it had been accepted to the Google Summer of Code 2008:

<http://www.osgeo.org/node/616>

OSGeo is pleased to announce that Google has accepted OSGeo as mentoring organization for the Google Summer of Code 2008 program. This program provides funding for students to work on open source projects under the support of experienced mentors. The projects participating through OSGeo are OpenLayers, GDAL, GRASS, Mapbender, Quantum GIS, MapServer, GeoServer, GeoTools, uDig, OpenJUMP/Degree.

The Open Source Geospatial Foundation would like to extend a welcome to all Summer of Code students.

If you re a student and you are interested in participating in the OSGeo/GSoC, please visit the Google Summer of Code 2008 Ideas Wiki at
