I tried with the following link

[http://www.csse.monash.edu.au/cgi-bin/cgiwrap/jwb/wwwjdic?1C\\_v1](http://www.csse.monash.edu.au/cgi-bin/cgiwrap/jwb/wwwjdic?1C_v1)

and entered "to be". I wished to generate the conjugation table for that verb but to my big surprise i found that i couldn't locate "to be" in the list with hits created for me. What did i do wrong?
