Problems with my posting service. I used my girlfriends account and since I knew about it there was no need to tell anybody else. After all, i'm the center of everybody's attention, right?

So, anyway, "cool giraffe" is my equally good half.

I found it! I couldn't locate it since Scedu forgot to mention that one was supposed to change to "japanese".

Oh, wait. He did... Darn!

Thanks for helping.
