Huh? I'm not saying that you don't quote, am I?

No, no—it wasn't really intended to be so pointed, nor aimed specifically at you. It's just that I've recently been tearing my hair out about the blasted "a" key of this keyboard... which is now performing perfectly (just to irritate me further, of course).

I agree with your assessment of joroniconia's postings.

Re: jappanes help?

Mind you, if you think the cap fits, do feel free to wear it....
