dixit:

Hmm, is Edict "various references" I wonder?

<http://www.websters-online-dictionary.org/definition/english/be/being+wet-blanketed>

I think so, but the guy who runs that site says no. He's wrong.

You get mentioned in all the best URLs you know.

[ziokd.erotic-place.org/law-dictionary.html](http://ziokd.erotic-place.org/law-dictionary.html)  
[...] by Jim Breen overviewing the EDICT project [...]

(I DON'T recommend clicking the link by the way - it redirects to what's could well be a virus distribution site).

.
